

## About Slow Food Utah

- **Slow Food Utah is a local chapter (convivium) of Slow Food USA.**
- **Our organization is entirely volunteer-run, managed by a core group (Board of Directors) and supported by a large number of members, volunteers, and partners.**

## Mission and Principles

- **The mission of Slow Food is good, clean, and fair food for everyone.**
- We build relationships with producers and co-producers and campaign to protect traditional foods.
- We cultivate the appreciation of pleasure, slowness, and quality in daily life.
